

Strengthening Capacity to Deliver the 'Paris Rulebook' through Climate Law and Governance

INVITATION

Tuesday 14 Jun 2022 - 16:45—18:15 (GMT)

Bonn Room

Bonn Climate Change Conference 2022 (SB 56)

Would you like to share ideas on how to implement the Paris Agreement pledges & the rule book through law & governance innovation?

Are you interested in networking with others on climate law & governance issues?

Are you interested in helping to set the law & policy agenda towards COP27?

Strengthening Capacity to Deliver the 'Paris Rulebook' through Climate Law and Governance

Serious increases in capacity, backed by awareness and engagement, are needed to deliver Paris Agreement rules & pledges, also advancing key SDG targets on education, infrastructure & gender, & justice.

How to scale up fast? How can climate law & governance contribute, especially across Africa and Europe, setting the implementation agenda for CoP27 and beyond?

Co-chairs: Prof Marie-Claire Cordonier Segger (Senior Director, CISDL / Leverhulme Professor, University of Cambridge) & Dr Floridea Di Ciommo (Co-Director, cambiaMO | changing MObility)

Speakers: Adv Ayman Cherkaoui (Lead Counsel, CISDL / Morocco); Adv Hafij Khan (Legal Fellow, CISDL / ExCom Member, Warsaw International Mechanism on Loss and Damage); Patricia Bohland (Co-Lead, Life e.V.); Dr. Alexandra Masako Goossens-Ishii (Representative to the UN, SGI); Mr. Michael Nwafekoku (President, International Foundation for African Children).*

Closing Remarks: Prof Ahmed Khalifa (Professor, University of Ain Shams / Egypt)* & Dr M. Antonieta "Antoinette" Nestor (Coordinator, CISDL Climate Law and Governance Initiative / Fellow, University of Cambridge)
